RESPONSE TO WRITTEN RESTRICTION REQUIREMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Office Action mailed July 15, 2005, for which a response is due on August 15, 2005.

Restriction

Restriction was required as follows:

- I. Claims 1-6, drawn to a bearing housing, classified in class 384, subclass 322.
- II. Claims 7-9, drawn to a method of draining a pooling oil, classified in class 29, subclass 898.

Applicant elects Group I with traverse. Traverse is on the grounds that examination of all the claims would not present an undue burden. Although separately classified, the search classes of the two groups are expected to largely, if not completely, overlap. Accordingly, if the restriction requirement is withdrawn, claims 1-9 will be examined. If not withdrawn, claims 1-6 will be examined.

Ser. No. 10/747,836

Accordingly, Applicant submits that claims 1-9 are in condition for allowance. Please charge any fees or deficiency or credit any overpayment to our Deposit Account of record.

Respectfully submitted,

By   
William B. Slate  
Attorney for Applicant
